

## 2 Day Port / Port Facility Security Officer Refresher Training

ISPS Code & MTOFS Act & Regulations 2003. Based on the requirements of the IMO Model Course 3.21.

This interactive classroom course is delivered by Scott McEwan AFNI, a former shipping industry executive with 40 years' of maritime industry involvement. His specialising in implementation of the ISPS Code and its associated codes, legislation and regulations commenced late in 2003, when the Code was conceived.

The course is delivered at Pelagus' venue or in-house. When delivered in-house, desktop exercises can be customised to suit to your security plan requirements.

### Aims

To update the essential knowledge of Port / Port Facility Security Officers.

Topics covered include:

- Applying the latest requirements of the ISPS Code & Australia's MTOFS Act & Regulations 2003
- Roles & responsibilities of government designated authorities and industry key players
- Recent trends in maritime security risk
- Changes in techniques used to circumvent security measures including cyber attacks
- Recognition on a non-discriminatory basis of persons posing a threat incl trusted insiders
- Recognition and detection of weapons, substances and improvised explosive devices
- Access control for ships, ports, port and offshore supply bases – identification systems
- Maritime security assessment revision – applying ISO 31000 and ISO 20858 guidance
- Maritime security plans – development, maintenance and implementation
- Maritime security levels – application of relevant and proportionate security measures
- Declaration of Security – correct usage and verification of undertakings
- Emergency preparedness – handling sensitive communications, evacuations, police liaison
- Assigning security duties to designated facility personnel – security contractor review
- Incident & events – mandatory reporting obligations incl cyber – SOCI Act 2018
- Maintaining a security awareness culture – refresher training, drills and exercises
- Timely communication of sensitive information
- Maintaining records

### Who should attend

This course is for persons who already perform the duties of a security officer as defined in the ISPS Code Part A/17.2 and/or MTOFS Reg 1.20 or 1.25.

### Entry standards

A copy of a PSO / PFSO training certificate should accompany a registration.

### Locations & size
